47 C.F.R. § 76.75(b)(2) Outreach Initiatives:

Establishment of training programs designed to enable unit personnel to acquire skills that could qualify them for higher level positions, 47 C.F.R. § 76.75(b)(2)(viii):

Astound Broadband has established training programs to qualify unit personnel for higher level positions, and supports the efforts of employees to further their education in areas which will benefit their work with the company, or which are required for advancement to higher level positions. For example, Astound Broadband supports and encourages continuing education through National Cable Television Institute (NCTI) courses and the Society of Cable Telecommunications Engineers (SCTE) Certification Programs. The company pays for unit employees to participate in all courses by these two industry professional organizations. These courses provide the skills and knowledge required for advancement in many of this unit's job classifications.

Participation in other activities reasonably calculated to further the goal of disseminating information as to MVPD employment opportunities to candidates who might otherwise be unaware of such opportunities, 47 C.F.R. § 76.75(b)(2)(xvi):

This employment unit participates in street fairs and other community events to promote our company's products, and at the same time disseminates information on employment opportunities and careers at Astound Broadband. This employment unit participated in four of these events: Burlingame Arts Festival on June 7th and 8th of 2010 in the City of Burlingame, Festa Italiana July 25th 2010 in the City of San Mateo Walnut Creek Arts & Wine on August 5th & 6th of 2010 in the City of Walnut Creek, and The Family Fest in Walnut Creek Heathers Park on August 28th and 29th of 2010, in conjunction with the company's San Mateo, CA employment unit. Unit personnel involved were Astound Broadband's Concord and San Mateo sales group.
