47 C.F.R. § 76.75(b)(2) Outreach Initiatives:

Establishment of training programs designed to enable unit personnel to acquire skills that could qualify them for higher level positions, 47 C.F.R. § 76.75(b)(2)(viii):

Wave Broadband has established training programs to qualify unit personnel for higher level positions, and supports the efforts of employees to further their education in areas which will benefit their work with the company, or which are required for advancement to higher level positions. For example, Wave Broadband supports and encourages continuing education through National Cable Television Institute (NCTI) courses and the Society of Cable Telecommunications Engineers (SCTE) Certification Programs. The company pays for unit employees to participate in all courses by these two industry professional organizations. These courses provide the skills and knowledge required for advancement in many of this unit's job classifications.

Participation in other activities reasonably calculated to further the goal of disseminating information as to MVPD employment opportunities to candidates who might otherwise be unaware of such opportunities, 47 C.F.R. § 76.75(b)(2)(xvi):

Wave Broadband participates in community home shows and fairs to promote our company's products, and at the same time disseminates information on employment opportunities and careers at Wave. The Port Orchard employment unit participated in the Kitsap County Fair in August of 2009, Kitsap County Home Show in May of 2009 and a WorkSource Kitsap county Job Fair in August 2009. Unit personnel involved were the Regional Office Manager, Vice President, Seattle Region, Direct Sales and Marketing Manager, and the Account Executives.
